

HELEN MACK OUTREACH FUND of Robertson Wesley United Church

APPLICATION FOR FUNDING

Background

RWUC has a long history and passion for “outreach” service (some of our current projects are described at <http://www.rwuc.org/socialservice.html>). Helen Mack was a long-time resident of the Oliver community and congregant of Robertson Wesley who shared this passion for helping others. Her will stated that her bequest to Robertson Wesley United Church (RWUC) was to be used “for the work and services provided to the community by the Outreach Committee, more particularly but not limited to, the community dinners program”. In accord with her wishes, the RWUC Outreach Committee accepts small funding requests to the Helen Mack Fund for projects that meet a need in reaching out to others. Typically these requests will be evaluated twice per year (in the first week of February and September), based on the project description, need, and availability of funds.
